

Workshop on  
**SPECIALTY OPTICAL FIBERS  
AND THEIR APPLICATIONS**

Call For Papers

# WSOF 2025

7–10 April 2025

Prague, Czechia

[WSOF2025.ufe.cz](http://WSOF2025.ufe.cz)

The 8th International Workshop on Specialty Optical Fibers and Their Applications (WSOF) is a technical workshop and exhibition focused on advances and innovations in the field of specialty optical fibers and their applications. Following in the foot-steps of the seven previous workshops, WSOF-2025 brings together students and researchers from academia and industry, to present and discuss the latest research and advances in specialty optical fiber technology in a small and familiar setting that affords one-on-one opportunities for technical discussions and fellowship. The workshop will offer keynote, tutorial, and invited talks along with contributed and poster papers; lab tours and a commercial exhibit.

## TOPICS

- Advances and new developments in specialty fibers
- Photonic crystal fibers, microstructured fibers
- Fiber sensors
- Fiber lasers
- Non-silica fibers, nonlinear optics
- Special fiber components and applications

## GENERAL CHAIR

**Pavel Peterka**, ÚFE, Czech Academy of Sciences, Czechia

## TECHNICAL CHAIRS

**Kyriacos Kalli**, Cyprus University of Technology, Cyprus  
**John Ballato**, Clemson University, USA

## EXPO CHAIR

**Alexis Mendez**, MCH Engineering LLC, USA

## INTERNATIONAL STEERING COMMITTEE

**Heike Ebendorff-Heidepriem**,  
University of Adelaide, Australia  
**H.Y. Tam**, Hong Kong Polytechnic University, Hong Kong  
**Liang Dong**, Clemson University, USA  
**Walter Margulis**, RISE, Sweden  
**Christiano de Matos**,  
Universidade Presbiteriana Mackenzie, Brazil  
**Cristiano M. B. Cordeiro**,  
Universidade Estadual de Campinas, Brazil  
**Juan Hernández-Cordero**, UNAM, Mexico

## LOCAL COMMITTEE

**Bára Švejkarová**, **Antreas Theodosiou**, **Filip Todorov**  
ÚFE, Czech Academy of Sciences, Prague  
**Jan Šulc**, **Matěj Komanec**,  
Czech Technical University, Prague  
**Jan Hrabina**  
Institute of Scientific Instruments,  
Czech Academy of Sciences, Brno  
**Josef Vojtěch**, CESNET, Prague  
**Pavla Nekvindová**,  
University of Chemical Technology, Prague  
**Jonathan Tyler Green**, ELI Beamlines, Dolní Břežany  
**Daniel Káčik**, University of Žilina, Slovakia  
**Jaroslav Huynh**  
HiLASE Centre, Institute of Physics,  
Czech Academy of Sciences, Dolní Břežany

## ABSTRACT SUBMISSION DEADLINE

Extended to 4 December 2024 *6 November 2024*

## EXHIBIT & SPONSORSHIP OPPORTUNITIES

A commercial exhibit will be available offering both stands and tabletops. Sponsorship opportunities are welcome.

## VENUE

Clarion Congress Hotel Prague
